The D.M.Os both at Bangalore & Mysore are in now in charge of the E.D. Hospital in the 2 places. If the DMO at Bangalore can work after his additional work in addition to his work it is not clear why similar arrangement cannot be continued at Mysore.

In all districts except Bangalore & Mysore the DMOs are in charge of the Head quarter Hospitals.

No. 1766 d. 18.11.26

Forwards a statement showing categorically the duties devolving on the Superintendents of Jails under Statutory rules.

13) What was required was a "detailed comparison" of the Superintendent work at Mysore Jail with that of the Supt. at Bangalore, to judge whether a whole time officer would be required also at Mysore. What has been furnished is a catalogue of the general duties of a Superintendent under the Rules, whether at Bangalore or Mysore. This gives no idea of the Comparative work in the two jails. Perhaps it is to be presumed that the difference is only in degree and not in the nature of the work. But ~~a~~ comparative idea of the 11 various Depts etc (Industries etc) and the extent of close supervision required ~~may~~ might have been given.

14) An extract from the Jails Committee Report of has been sent, in which it is recommended that "for all District Jails with an average population of 300 and upwards there should be a whole time Superintendent". This is quoted in

support of the proposal for a whole time officer for Mysore Jail, the strength of which is not however mentioned in the D.G's letter.

From the Admn. Report of the Jails Dept for 1925, it is seen that the daily average number of Prisoners of all classes in the two jails is :—

Bangalore Central Jail : 740 persons
Mysore District Jail : 193.01. "

From the same Admn. Report, the Net Cash earnings of the two jails are :—

Bangalore : Rs. 21,529-6-1
Mysore : Rs 1,793-12-7.

This may give us a rough idea of the manufactures carried on in the two jails & the work of supervision involved.

[The enquiry was started with reference to a confidential report & is being dealt with in the C.B. Now that this is has become a departmental question, it may perhaps be dealt with in the General Secrett. The correspondence is being carried on in the name of the General Secy.].

The proposal of the Civil Surgeon amounts to the creation of an additional office for the benefit of the medical staff. The strength of the Lugnuc Jail does not justify the appointment of a full-time Officer. There is no reason whatever to place a Medical Officer in charge of a Jail. All that is required is that a Medical Officer should visit the Jail daily and be responsible for their health. More retiring allowances will be involved & one of the Asst Surgeons if it is not desirable for the Eye Specialist to take up this work on an allowance of Rs 50 p.m. If the D.C is consulted he may be able to arrange for one of his Assistants to see to it as above stated. 1) I think the S.S. should accept the decision arrived at at the meeting with the Dewan and the First Member. If he does not, it defeats the object of the meeting.

2) The decision arrived at on the subject matter of the file was:

(1) That the Dep^ty Jailor, Bangalore Central Jail, should be promoted as Asst Supdt, Mysore Jail;

(2) That he should get a pay of Rs. 150 per mensem for the present;

(3) That a sub Asst Surgeon was quite sufficient for the medical charge of the jail.

3) The S.S. proposes now to sanction a pay of Rs. 125-15-200. This exceeds the limit given to him and further if the pay is fixed at 125-15-200 the Dep^ty Jailor with such sanction first comes is another Officer (viz. Mallikarjunaiya) who is Semi-Senior to him. The pay may therefore be fixed at Rs. 150.

Final Note by the First Member of Council.

Subject :—

Appointment of a full time Superintendent for the Mysore Jail.

As stated in the Dewan's Submission Note dated 26th August 192(the Inspector General of Prisons was asked if any change in the charg(of the Mysore Jail was necessary. The Inspector General of Prisons i1 replying to this enquiry pointed out that the present arrangement of putting the eye-specialist of the Krishnarajendra Hospital in additio1 al charge of the Mysore Jail was unsatisfactory and suggested the appointment of a whole time Superintendent for the charge of the Mysore Jail. How this could be effected without extra cost was considered a1 a monthly meeting with the Inspector General of Prisons and as a resu1 of further correspondence the following proposals are now made:-

Pages 22-23 & 24 of the Note

Mr. R. Mallikarjunappa, the Chief Jailor of the Bangalore Central Jail who is drawing a pay of Rs.175 with an allowance of Rs.25 will b(appointed Superintendent of the District Jail, Mysore, on a consolidated pay of Rs.200 per mensem, the allowance of Rs.100 that is now paid to the eye-specialist supervising the Jail, being discontinued. The post of the Jailor in the Mysore Jail will be abolished and Mr. Wright the present incumbent, who is drawing a pay of Rs.125 with an allowanc of Rs.25 will be appointed Chief Jailor, Bangalore Central Jail on Rs. 155 in the grade of Rs.150-5-175. Mr. Venkoba Rao, the Deputy Jailor, Bangalore Central Jail, who is now drawing a pay of Rs.87 with an al lowance of Rs.20 per mensem will continue in his present post and be given a pay of Rs.115 per mensem in the grade of Rs.100-5-125. Under this arrangement the allowances that are being now drawn by Messrs. Mallikarjunappa, Wright and Venkoba Rao will cease.

It would be sufficient if the Sub Assistant Surgeon employed i1 the Jail is put in sole charge of the Medical duties of the Jail and h may an allowance of Rs.20 per mensem instead of the present ann ance of Rs.70.

The financial effect of these proposals will be a saving of Rs.59- per month. The Dewan and Members of Council have agreed to the proposals.

I solicit the gracious approval of His Highness to thes proposals.

Dear Sir,

In reply to your D.O. No. 873/C.B. of even date I write to state that it is a mistake to put the Eye-Specialist who has to manage an important Department of the Krishnarajendra Hospital all by himself in additional charge of the exacting duties of the second biggest Institution of the Prisons Department. Every morning he has to be at the Jail for an hour or more, depending upon the volume of the day's work that has to be gone through. Meantime patients will be waiting for him at the Krishnarajendra Hospital. The weekly inspections on Mondays will take up the whole morning, resulting in the complete interruption of the morning's work at the Hospital on that day. As you will agree, this is very unsatisfactory. With two diverse duties claiming his attention, he will be unable to perform either efficiently. On the one hand, the development of the Eye-Department of the Hospital both on the palliative as well as the surgical side will lag behind and on the other, the Jail will fail to receive that degree of attention which is necessary for enforcement of discipline or improvement of industries.

The only solution seems to me to post a whole-time Assistant Surgeon for charge of the Jail at Mysore. He may also be placed in administrative charge of the Epidemic Diseases Hospital. Being a stationery officer, he can exercise better supervision over the latter Institution than the District Medical Officer who has to be frequently on the move in the District. The special allowance of Rs 100/- attached to the charge of the Jail will of course, continue to be drawn by whoever is the Superintendent under the new arrangement.

I solicit early orders of Government.

Yours sincerely,

To

Dated Bangalore, 18th November 1926.

From

Dr. B. Mahomed Usmon, L.M.S.,

Inspector-General of Prisons

R.Ranga Rao, Esqr., B.A., B.L

General Secretary to the Govt: of H.H. the
Maharaja of Mysore, Bangalore.

With reference to your letter No. 1049/C.B. 11-26 dated the 2nd October 1926, I have the honour to forward herewith, a statement showing categorically the duties that, under statutory rules, devolve on the Superintendents of th Bangalore and Mysore Jails. It will be kindly seen that th routine duties are by themselves numerous enough to justify the appointment of a whole-time Officer for the Mysore Jail and when to these are added the indefinable ones of having t maintain the general tone of the internal management and of steadily endeavouring to improve the Jail industries the question - I venture to say - admits of no two opinions. Furthermore, the development of the Jail at Mysore is intima associated with the efficiency of administration in the Cent Jail where at present the number of inmates is far in excess the accommodation available. The transfer of the surplus Ja population from Bangalore to Mysore is thus a matter which sh receive the earliest consideration. And unless the Mysore Ja is in all essential respects on a par with the Institution at Bangalore it cannot be made use of as an adjunct to it.

In this connection I enclose an extract from the Report of the Indian Jails Committee 1919-20 (Paras 32 and 33 Chapter IV) recommending that for all Jails with an average

popula

population of 300 and upwards, there should be a whole-time Superintendent. I trust that in these circumstances, Governm will be pleased to approve of my proposal to place the Mysore Jail in charge of a Whole-Time Superintendent of the status of an Assistant Surgeon. as already suggested. The E.D. Hospi may also be placed under this Officer, as the District Medical Officer will have much touring work to do not only for inspection of Dispensaries but also for initiating or supervising medical rel in connection with malaria, ankylostomiasis and other diseases pre valent in one part of the District or another.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector-General of Prisons.

An Extract from the Report of the Indian Jails Committee for 1919-20.

From the point of view of Jail administration this arrangement would have many advantages. At present, in too many instances the Civil Surgeon is unable to do more than pay a hasty visit of an hour or an hour and a half daily to the Jail. During the rest of the day, the administration is left entirely to the Jailor and it is a natural and unavoidable result that too much of the practical working of the Jail is in the hands of that subordinate. Not even the most devoted and hard-working civil surgeon can prevent this result in view of the many other call upon his time, and this was admitted by many witness. Nc the charge of the Jail by any means a welcome task with all Civil Surgeons : men whose main interest is in their profession do not care to have to spend a part of the day they can ill spare in superintending Jail Manufactures or warders' drill. From many points of view, therefore, the creation of Central Jails and the appointment c special Officers as Superintendents of the larger District Jai is desirable.

Civil Surgeon unable to devote sufficient time to Jail work.

-@-@-@-@-@-@-

Taking all these considerations into account, we recommend that for all District Jails with an average population of 300 and upwards there should be a wholetime Superintendent. It wou doubtless, be advantageous if it were possible to go further and to provide a whole-time Supe intendent even for the smaller District Jails, but we recognise that this is impossible for fina reasons. The third and fourth class District Jails, that is, those with an average population below 300 must therefore cont for the present to be in charge of the civil surgeon.

A Whole-time Superintendent for Larger District Jails recommended.

DEPARTMENT OF PRISONS IN MYSORE.

Office of the Inspector-General of Prisons in Mysore
Bangalore, dated 11th February 1927.

No. 288
Enc. 61-2)

From

Dr. B. Mahomed Usmon, L.M.S.,
Inspector-General of Prisons in Mysore,
Bangalore.

To

R. Ranga Rao, Esq., B.A., B.L.,
General Secretary to the Government of
H.H. the Maharaja of Mysore, Bangalore.

Sir,

With reference to the correspondence ending with your D.O. letter No. G. 7468/Pris. dated the 13th January 1927, I have the honour to submit the following proposals for the supervision of and conduct of work in the Mysore Jail. As already brought to the notice of Government, the essential requirements to be had in view in re-organising the establishment and personnel of this Institution are:- firstly, that the Superintendent should be a whole-time Officer in order to be able to give his entire and undivided attention to its management, secondly, that he should have sufficient experience to handle the Jail industries and develop them along lines which would not only bring an adequate return to the Department but would also provide a field for the efficient training of prisoners, the aim being to benefit them to earn an honest living after release; and thirdly, that the Mysore Jail should in every respect be an Institution complementary to the Central Jail at Bangalore. It will be clear that to secure these objects in a relatively small Institution, it would be too expensive to resort to the arrangement of maintaining a Superintendent of the same status as or similar to that held by the Superintendent of the Central Jail. The purpose would be equally served if one of a lower status and designated as Assis-

Jail the term Assistant being expressive only of status and not of any subordinate relationship to the Superintendent of the Central Jail. I would fix the pay of the appointment at Rs.125-15-200. I would further nominate for the post Mr. M. Venkoba Rao, now Deputy Jailor, Bangalore, Central Jail, who is the only person among the upper subordinates in the Department that can come up to expectations in this matter o organising and developing the work of the Mysore Jail. By his appointment the post of a Chief Jailor at Mysore will no longer be necessary and may be abolished, the present incumbent Mr. W. Wright being transferred to the Central Jail on the same pay or, if possible reverted to the Police Depar ment.

One other item which needs to be sanctioned is the grant of a local allowance of Rs.20/- per mensem to the Sub Assistant Surgeon employed in the Jail. Considering that the Sub Assistant Surgeon is expected to be available on th premises at any hour of the day or night and is at present drawing an allowance of only Rs.70/- per annum or less tha Rs.6/- per mensem, the necessity for enhancing the same is obvious. I may note that according to the report of the Indian Jails Committee, Sub Assistant Surgeons serving in Jails should get an allowance to cover disabilities attache to Jail Service, varying from Rs.30 to Rs.70 per mensem.

For general supervision over the work of the Sub Assistant Surgeon and also to facilitate professional consultation whenever necessary, the Medical Officer or the sident Medical Officer of the Krishnarajendra Hospital ay be required to visit the Jail twice in a week, an allov ice of Rs.30/- per mensem being granted for the purpose.

The financial effect of these proposals is shown

	Average cost.
Assistant Superintendent on Rs.125-15-200	Rs. 175/-
Allowance to Sub Assistant Surgeon. ...	Rs. 20/-
Conveyance Allowance to Medical Officer ...	Rs. 30/-
C.O.	Rs.+225/-

B. F.	Rs.+225/-
Savings on account of the salary of Deputy Jailor, Bangalore Central Jail.	Rs. 107/-
Savings on account of present allowance to part time Superintendent. ...	Rs. 100/-
	Rs.-207/-
Or a net increase of Rs.18/- per mensem	Rs.+ 18/-
or	12
a net increase of Rs.216/- per annum.	Rs. 216/-

In the event of Mr. Wright being reverted to the Police Department, his present salary, viz., Rs.125/- plus Rs.25/- will be a saving to Government and the proposed revision will then result in an actual savings amounting to Rs.300/- per annum.

I have the honour to be,

Sir,

Your most obedient servant,

Inspector-General of Pri
in Mysore.

My Dear Dr. Usmon,

Referring to your letter No. 288 dated the 11th February 1927 submitting certain proposals in connection with the Mysore Jail, I am directed to state that in view of the fact that Mr. Venkoba Rao is junior to Mr. Mallikarjuniah and further that Mr. Venkoba Rao was specially deputed to Bikaner with a view to introduce certain improvements in the carpets manufactured in the Bangalore Central Jail, it appears to the Government that the following proposals would be more suitable:--

1. to post Mr. Mallikarjuniah for charge of the Mysore Jail, on his present pay.
2. to promote Mr. Venkoba Rao as Chief Jailor on a pay of Rs.100 rising to Rs. 150.
3. to revert Mr. Wright to the Police Department, if necessary getting in his place an officer on a smaller pay for being employed as Deputy Jailor.

I am to ask you to favour Government with your opinion on these points.

Yours sincerely

Pris 50-26-5

Dear Mr. Ranga Rao,

I am in receipt of your D.O. No. G.10952/ Prisons 50-26 dated 9th April 1927, communicating for my opinion the views of Government on the subject of the better staffing of the Mysore Jail. As I have already previously explained, an important consideration underlying my proposals is that the Medical Officer in charge of the Opthalmic Department of the Krishnarajendra Hospital should be relieved of his duties in the Jail and set free to devote his full time and attention to his legitimate duties. This cannot be done unless a man of proved capabilities is placed in charge of the Jail not only to carry out its routine management but also to develop its industries on recognised lines. While I admit that Mr. Mallikarjunappa's seniority in service would have entitled him to preferment in the usual course, yet in the special circumstances which have led to the present proposal his nomination is out of question. He has not the capacity for the kind of work expected, as I can testify from my personal knowledge of him as my subordinate when I held char of the Mysore Jail. He will do well enough under the eye of an immediate Superior but is unfit for a post demanding initiative and ability for independent management. He is best where he is - as Chief Jailor in the Central Jail.

2. I have no objection to limit the pay of Mr. Venkoba Rao to Rs. 100-10-150 for the present, if he is posted to the charge of the Mysore Jail. I would respectfull bring to the notice of Government that it is not so much the promotion of the individual officers concerned as the interests of the Mysore Jail I have had in view in submitting my proposals.

3. Mr. Wright may as proposed be reverted to the Police Department and an Officer on a smaller pay entertained as Deputy Jailor in the Central Jail. (Bangalore)

Yours Sincerely,

J Wilson

Dear Mr. Ranga Rao,

Your D.O. of yesterday's date re: proposal to revert Mr. Wright to the Police Department.

Mr. Wright left the Department in July 1916 and then he was on Rs 70/- in this department. He has not been in touch with the Police work for over ten years and he will ~~not,~~ therefore be of any advantage in the Police Department. It will further create bear burning in the department as he will be going over th heads of many Graduate Inspectors who have all along these ten years worked hard to get promotion.

In these circumstances I should much prefer that Mr. Wright is not sent to the Police Department.

Yours sincerely,
